INVITATION

EU-MENA B2B MATCHMAKING EVENT — RENEWABLE HYDROGEN AND CLEAN TECHNOLOGY

Held during European Hydrogen Week, Brussels Expo, Avenue de Miramar, 1020 Brussels – Belgium

Dear Colleagues,

The [MED-GEM Network](#), in collaboration with the [Arab-Belgian-Luxembourg Chamber of Commerce](#) (ABLCC), is pleased to invite European companies, investors, banks and public bodies to meet MENA companies working in renewable hydrogen, renewable energy, energy efficiency and clean technology. The meetings are arranged for you in advance, there is no cost to take part, and every company you sit with has been selected on the strength of a real project rather than a company profile.

ABOUT THE EVENT

We ran an open call across the MENA region and received nearly 80 applications. **18 projects were selected** and are travelling to Brussels. Each one pitches in a dedicated session and then meets the European companies it has been matched with. Pitching and one-to-one meetings take place on **Tuesday 27 and Wednesday 28 October**.

Participants also have access to the [European Hydrogen Week \(EHW\)](#) exhibition and fair, where the exhibitors include Air Liquide, Bosch, Agfa, 1s1 Energy, Dynelectro and EKPO Fuel Cell Technologies. Our own stand is **J32–J33** in Hall 7.

WHO SHOULD TAKE PART

Any European company or institution that can be a counterpart to a real project. Typically, developers & investors, equipment makers including electrolyzers, EPC & engineering firms, industrial buyers, ports & shipping, CBAM & RFNBO certification bodies, utilities & grid operators, water treatment specialists, banks, funds and export credit agencies.

WHAT THE PROJECTS ARE LOOKING FOR

Each project states its own need. The most common request is finance, whether a bank, a fund or an export credit agency. After that come an investor, an EPC or engineering partner, an electrolyser or equipment supplier, a buyer for the output, and help with access to the European market. These are not concepts on paper, and several are permitted or under construction, with land and grid secured and in some cases offtake already signed.

COVERAGE OF COSTS

There is no charge for the matchmaking. European participants arrange their own [registration for EHW](#).

PROGRAMME FORMAT

The programme on October 27th and 28th runs in **four windows of 3 hours** where each window is categorized by what you can provide (i.e., what the project needs), so you only need to come once (to the window you represent or belong to). Each window opens with short pitches of **5 to 7 minutes** in English, with up to **5 slides**, from the projects in that window. These are followed by pre-scheduled **15 to 30-minute one-to-one meetings** with the projects you have chosen.

Important Note: In case you cannot meet in the time slot dedicated for your category, please share your availability so we schedule meetings at another time.

OCTOBER 27 AND 28, 2026 – PITCHES AND B2B MEETINGS

Window	Date	Time	EU Partners Categorized by Project Needs
W1	Tue 27 Oct	10:00 - 13:00 [Pitch: 10:00 - 11:30] [B2B: 11:30 - 13:00]	Finance and Investment Partners Banks, equity investors, investment funds, development finance institutions and export credit agencies
W2	Tue 27 Oct	14:00 - 17:00 [Pitch: 14:00 - 15:30] [B2B: 15:30 - 17:00]	Buyers, Offtakers and Market Partners Buyers of hydrogen, ammonia, e-fuels and methanol; airlines; shipping lines; fuel suppliers; utilities; distributors and market-access partners
W3	Wed 28 Oct	10:00 - 13:00 [Pitch: 10:00 - 11:30] [B2B: 11:30 - 13:00]	Technology, Equipment and Specialist Partners Technology licensors, equipment manufacturers, component suppliers, joint-venture partners, certification bodies, CO ₂ suppliers and other technical specialists
W4	Wed 28 Oct	14:00 - 17:00 [Pitch: 14:00 - 15:30] [B2B: 15:30 - 17:00]	EPC, Engineering, Construction and Operating Partners EPC contractors, engineering and construction firms, project developers, infrastructure operators and concession partners

HOW TO TAKE PART

Please choose **one window** and rank up to **10 projects** you would like to meet using the form below, by **16 October 2026**. We will allocate the meetings and send you your personal schedule, together with the project material, by 21 October. On the day, please arrive 10 minutes before your window starts at stand J32–J33, Hall 7.

- 1) **Express your interest here** <https://forms.gle/NdveVvKiSgzJ882g7>
- 2) Register to the European H2 week [here](#)

For any question please write to info@ablcc.org and tiziana.deharlez@giz.de. We look forward to welcoming you in Brussels.
