

# Power-to-Gas conference

## ‘From renewables to hydrogen: Results and outlook’

Bert De Colvenaer  
Chairman Board WaterstofNet

# 3 key points

## 3 key points

To achieve the vertical integration, we need to think horizontally.

## 3 key points

To achieve the vertical integration, we need to think horizontally.

If we don't do it, it won't happen.

## 3 key points

To achieve the vertical integration, we need to think horizontally.

If we don't do it, it won't happen.

It is not about money, ...

## 3 key points

To achieve the vertical integration, we need to think horizontally.

Thinking Together

If we don't do it, it won't happen.

Working together

It is not about money, ...

Investing together
